Classroom & On-Field Training

Curriculum will include pre-class online tutorials, classroom instruction on the Laws of the Game (LOTG) and on-field training in mechanics, positioning, & teamwork. A written test will be given & graded at the end of class. All participants receiving a passing grade will be newly certified soccer referees. Additional information about next steps to begin working as a soccer referee in the Va. Beach/Norfolk area will be provided.

Ongoing Mentoring

Upon successful completion of the certification process, opportunities for instructor mentoring during actual games at upcoming events are being planned.

Referee Gear Discounts

Local soccer suppliers will offer discounts on new referee uniforms and equipment to participants.
